PURCHASING ADVICE FOR FAMILIES

In the interest of providing the most cost-effective options for families, **Primary Stationery Lists** are organised into two (2) different list types; '**Essentials**' and '**Extras**'.

- All items listed under '**ESSENTIALS**' are to be purchased for the new school year.
- All items listed under '**EXTRAS**' must be provided by families, however not all items need to be purchased brand new each year, if previous items are still suitable for reuse.

When purchasing stationery through the **WCC Book Pack Scheme**, parents/caregivers will have the choice of purchasing the 'Essentials Pack', the 'Extras Pack', or both.

MANAGING STUDENT RESOURCES

- All resources provided should be labelled with the student's name and Class Code (eg 3A).
- Parents are responsible for naming all stationery items.
- Classroom Teachers will label workbooks with the relevant subject name.
- Items that are unused will be sent home at the end of the school year, for future reuse.
