

## Year 10 Subject Selection for 2021

Students will undertake studies in each of the five core subjects:

- English
- Health & Physical Education
- Mathematics (select one preference – class placement will also be determined by previous academic results, effort and future career pathway)
  - Prep Mathematical Methods
  - Prep General Mathematics
  - Prep Essential Mathematics
- Science (select one preference)
  - Australian Curriculum (ATAR pathway and Defence Force preparation)
  - Certificate II in Conservation & Land Management (*acceptance into this course will be subject to Principal approval*).
- Humanities (select one preference)
  - Humanities (History/Geography/Civics and Citizenship)
  - Diploma of Business (*Acceptance into this two year Diploma of Business course will be subject to Principal approval*).

<i>All students should identify a first and second preference for each of the two elective lines below</i>	
<b>Elective Line 1 (Two lessons per week)</b> <b>(indicate 1<sup>st</sup> and 2<sup>nd</sup> preference)</b>	<input type="checkbox"/> Digital Technologies <input type="checkbox"/> Food & Textile Studies <input type="checkbox"/> Introduction to Automotive <input type="checkbox"/> Drama
<b>Elective Line 2 (Two lessons per week)</b> <b>(indicate 1<sup>st</sup> and 2<sup>nd</sup> preference)</b>	<input type="checkbox"/> Food & Textile Studies <input type="checkbox"/> Furnishings <input type="checkbox"/> Graphical Design & Drafting <input type="checkbox"/> Art
<p><b>Alternative Elective Option (Four lessons per week)</b>  <i>In place of the elective options listed above, student can choose to study a Certificate II Engineering Pathways to as a one-year program. Acceptance into this course will be subject to Principal approval. Students completing the Certificate II qualification will not be able to choose a second elective as four lessons each week dedicated to this subject.</i></p> <input type="checkbox"/> I am interested in completing a Certificate II in Engineering Pathways.
