

2027 Book Packs

Years 7 to 12

Book Packs contain the essential stationery and materials students will need for the school year. To provide families with the most cost-effective options, stationery lists are divided into two categories: **Essentials** and **Extras**.

- **Essentials Pack:** All items listed in the Essentials Pack are required for the new school year and should be purchased each year.
- **Extras Pack:** These items are also required; however, families may reuse items from previous years if they are still in good condition and suitable for use.

When ordering through the **WCC Book Pack Scheme**, parents and caregivers can choose to purchase the **Essentials Pack**, **Extras Pack**, or **both**.

Families can either:

- Purchase the items themselves using the stationery list, **or**
- Take advantage of the convenient **Book Pack Service through the Western Cape College Uniform Shop**.

The current **Stationery Lists** are available on the Western Cape College website.
