

University Scholarship Programme - Weipa

AS PIONEERS in minerals and metals, we produce materials essential to human progress. Through research and innovation, we produce materials that are used in everyday life. A key contributor has been establishing pioneering partnerships - one of which is *11 years strong* with the Western Cape College. Through partnerships we aim to inspire students from the Western Cape to pursue studies in a mining related area.

What does the scholarship include?

A one off payment of \$2,500 towards studies and associated costs paid at the commencement of semester one.

Professional mentoring to support you in your tertiary studies.

Work placement (maximum of two weeks per year).

Students will be asked to provide Rio Tinto with a brief update report at the end of the year.

Application process

All applicants are required to complete the application form. Please attach a copy of your QTAC preferences, academic report card and school attendance record.

Applications Close:
5pm Wednesday 31st October, 2018.

**ENGINEERING (mining, electrical, mechanical, environmental),
SCIENCE (metallurgy, chemistry, environmental),
GEOLOGY, ENVIRONMENT, SPATIAL STUDIES.**

Accessing the scholarship

To be eligible for this scholarship, you must meet the following criteria:

1. Accepted a position into a full time undergraduate degree offered by a recognised Australian Tertiary Institution. This course must be linked to a mining related area (see below):
2. Once you have accepted the offer, please forward the documentation via email as confirmation of your placement and acceptance to: Rosselle.Canilao@riotinto.com

For more information regarding the Rio Tinto University Scholarship Programme Weipa, please contact **Rosselle Canilao: (07) 4069 8456.**
