

## English

Students are learning about imaginative literary texts. They will engage with a variety of stories for enjoyment, making connections, sharing and retelling.

## Maths

Students are learning about numbers. They are also collecting, sorting and comparing data, describing position and location as well as giving and following directions.

## HASS

Prep students are learning about remembering places and events.

Year 1 students are learning about Technologies over time and significant places.

## Technologies

Students are learning about digital technologies knowledge and skills through guided play and subject tasks.

# BROLGA

## CURRICULUM CONNECTIONS

### TERM 1, 2026

## The Arts

In Music, students are learning how books can be a stimulus for music making and responding.

## Health & Physical Education

In Health, students are learning skills to interact well with others.

In PE, students are learning about movement direction through tag games.

## What is your child learning?

**This document has been produced to increase communication between school and home.**

## Science

Students are learning about our Earth and all the different resources Earth has and identifying different uses of these resources.
