

Prep Curriculum Connection

What is your child learning?

This document has been produced to further communication between school and home.

Term 4, 2024

English - Students will create a short informative text about an animal of their choice. They will also read and comprehend simple sentences and focus on letter names.

Maths - Students are learning about different ways to show numbers and are exploring length, capacity and mass.

Science - Students are investigating the movement of familiar objects.

HASS - Students will continue looking at the features of familiar places and how we can care for them.

Health and PE - Students will look at different health messages that support their safety and will focus on water safety and fair play.

The Arts (Visual Arts) - Students will experiment with different materials and processes to create artwork.
