

Western Cape College 2024 Annual Improvement Plan

WCC Vision

Our vision is to empower students to confidently pursue their passions and make meaningful contributions to vibrant and diverse communities.

WCC Purpose

Our purpose is to deliver a rich and inclusive educational experience from Kindergarten to Year 12.

WCC Values

✓ We are LEARNERS

✓ We are RESPECTFUL

✓ We are SAFE

Priority 1 – Connection

Our connected College community is invested in the growth of meaningful partnerships to improve student outcomes.

Priority 3 – Learning

Our approach to learning fosters the growth of all students through evidence based teaching practices.

Priority 2 – Wellbeing

Our campuses are welcoming, safe, and inclusive environments.

Priority 4 – Leading

Our leadership approach builds capability through knowledge sharing, continuous learning, and enhanced levels of collaboration.

In 2024, our College portfolio improvement areas are –

1. Moderation – How we work together	Staff collaboratively plan a seamless curriculum that embeds evidence-based teaching practices.
2. Positive Culture for Learning and Living	Continue to build our WCC Way culture through a shared belief in each student's potential and development.
3. Case Management	Implement effective early intervention through a collaborative process that empowers all students to thrive within and beyond the school environment.
4. Organisational Effectiveness	To clearly outline the key work accountabilities of all WCC staff and how we work together to improve the organisation.

Acknowledgement of Country

Western Cape College acknowledges the Alngith and Tjungundi people as the Traditional owners of the land in which our Weipa and Mapoon campuses are located and recognise them as the first peoples of this nation. Western Cape College also pays respect to the Elders both past and present and extends that respect to other Traditional owners of the Western Cape and beyond.
